Glen Allen in 1927

Freshmen Class of 1927

GLEN ALLEN

Mr. Charles Tinsley, in the fall of 1886, felt the need for a school for the children who lived near Glen Allen. The need arose due to the fact that the children were not in walking distance of the public school. He asked Miss Lizzie Holliday if she would open a private school in her home for these children. She consented. He, then, went to the school trustees, who agreed, provided that twenty pupils could be enrolled to make it a public school.

The schoolroom for the first two years was on the second floor, but as children kept falling down the stairs, as children will do, Miss Lizzie moved them into her parlor. During the first session, the children used two tables made from an organ case and sat on porch benches and chairs. Miss Lizzie used a piece of black oil cloth (tacked on one side of the organ) for a blackboard.

Thirteen years later in 1899, a one room house was built on Mountain Road, one mile west of Glen Allen. The pupils soon outgrew this first Glen Allen School House and, in 1901, a room was added. The enrollment increased until a second addition was made.

The school was divided into grades and given its first library in 1907.

The location of this school was inconvenient and had again become crowded. In 1911, a two-story brick building consisting of four rooms was built on the present site, a three acre lot. The Glen Allen Improvement League and the school officials were responsible for this first structure. In October of the same year, the school moved into its new home. Miss Gladys Bell, the principal, held sway over a hundred pupils in seven grades with only three teachers. This first section made up, what is now, the office, 106, 205 and 206. The last two rooms were made so they could be converted to an auditorium.

A Junior League was formed which sponsored many improvements to the buildings and grounds.

In 1914 an addition was made on the east side of the building. This contained what is now 103, 104, 203 and 204. Our present 203 and 204 was an auditorium.

THROUGH THE YEARS

In 1919, along with the eighth grade, a south wing was added. This contained our present 100, 101 and 102, which was then an auditorium and 200, 201 and 202. Glen Allen became an accredited junior high school in 1920, when the ninth grade was added.

The school became a four year high school when, in 1923 and 1924 the tenth and eleventh grades, respectively, were added. This was accredited in 1926.

In 1925 the north wing was added, which consisted of an auditorium on the first floor and four classrooms on the second. The auditorium was made into a library, two classrooms and a corridor in 1936, when the present auditorium and gymnasium were constructed.

Glen Allen, in 1927, consisted of seventeen classrooms (it now has thirty-two), basement playrooms, library, office and auditorium. There were two hundred and sixty students with ten teachers and Miss Olivia Hardy, principal.

The Home Economics classes were held in the Chemistry Laboratory until the Cottage was built in 1939. Shortly after this, the Shop was moved to the present location and the Cafeteria, which was originally located in room 106, soon followed.

In 1942 Glen Allen became strictly a senior high school, and the elementary grades were moved to Laurel, Dumbarton, and Longdale.

The year the twelve grade system was installed, the class of '50 entered Glen Allen and the newly built Annex. The Court buildings were added in 1949.

On January 1, 1951, Glen Allen High became a Group 1 school with one thousand and five students.

Now as we, the high school students, leave Glen Allen, we can look back over its sixty-five years of existence and say that it has prospered well. Through the years it has outgrown its physical bounds many times in its continual progress toward better education for the youth of Henrico County.

This session marks the end of an era. We pause to look back through the years at the life of Glen Allen High School. We who have been a part of it hold fast to the memories of its spirit and its life. Rich is the heritage that has been built of work, play, and living together as students and faculty. No finer spirit has been in any school than exists here. Glen Allen has been outstanding in many ways. It has given students a start that helped them to go on to institutions of higher learning and become successful there. Our graduates have achieved greatly in the business and professional world. A name has been made for us by the drama produced here. Our forensics have been outstanding and our school publications have been honored for their achievements. Of late years our athletics have been unusually successful. The social side of life has not been neglected as a well-rounded school program has provided for these activities.

As our school takes a new home and a new name, we will move forward but with a nostalgic memory of Glen Allen life. We love this school; and we honor all who have passed through the life here to make the traditions and heritage which we cherish, by dedicating this year's Panthian to them.

THE

DEDICATION

MR. GEORGE H. MOODY
Principal

Through the effort and interests of Mr. Moody, principal of Glen Allen for sixteen years, our school has steadily attained greater heights. Both the student body and faculty appreciate his concern and love of the school and its functions. His gentle but firm manner creates the respect of all who work with him. We all have a great friend in Mr. George H. Moody.

The student council is the governing body of the Student Cooperative Association, which is a student organization. It is composed of the President, Vice-President, Secretary and Treasurer of the S. C. A., one Representative from each homeroom, and the Presidents of the Junior and Senior classes.

The various duties of this organization include arranging a calendar of activities for the year, organizing these activities, and controlling the funds they use. Members of the council attend various meetings and conventions, the purposes of which are to promote better student functions, government, and participation.

"Love would blossom in my heart."

"When Old Tom tells a story you can put it down for true."

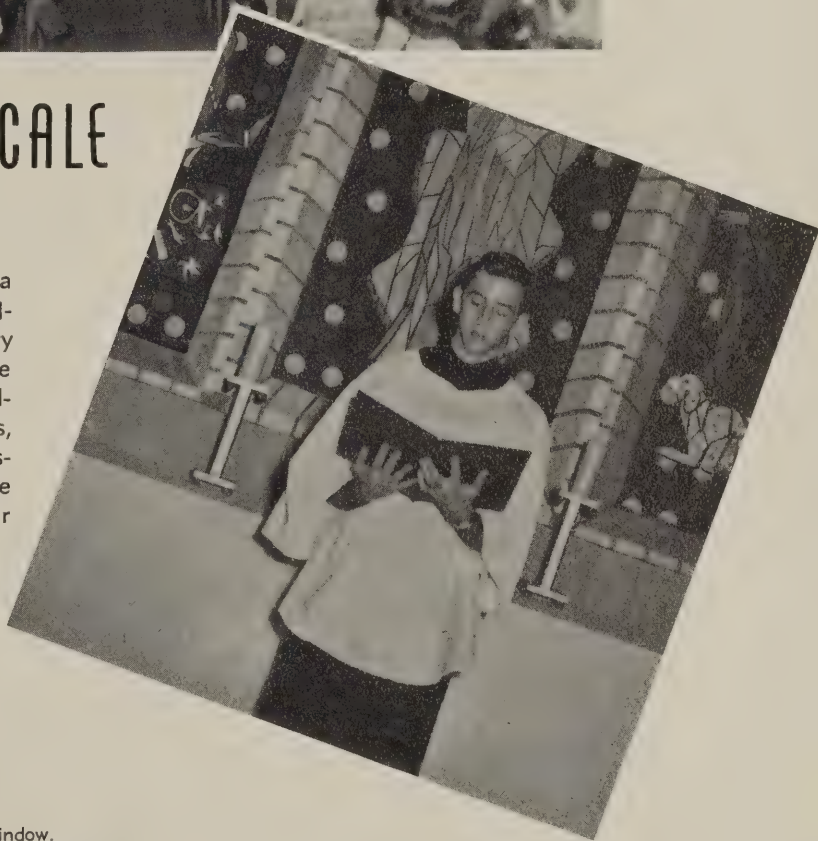

CHRISTMAS MUSICAL

The choir began the ceremony with a candlelight procession singing "Adeste Fidelis." The Narrator read the Christmas Story in parts from the Bible and between these passages the choir sang passages corresponding to the story. Soloists were: Ruth Mills, Shirley Howell, Landora Barden, Robert Galaspie, and Norman Negaard. At the end of the program, the audience joined with the choir in singing their favorite Christmas Carols.

Girls' Basketball started its season minus four of its starting players of last year. Before their first game, the squad was short the remaining 2 previous starters, which left the girls with five lettermen and twelve new cage hopefuls.

With steady practice, love of basketball, and a desire to win, the girls came through with a very successful season.

Captain Wilkie had an average of 19.1 points per game, and truly showed outstanding spirit to her team mates. To complete the starting trio, Shir-

ley Hall had an average of 9.6 points per game and Ann Dukes 8.5 points per game. These two girls showed fine team work with their outstanding passing.

On the defensive end Catherine Cole was the height and fight of the team. Many a point of an opposing player fell prey to Catherine's splendid work. Equally as good were Loretta Kuhn, playing all year in spite of an injury, Judy French and Substitute Bobby Jenkins who played varsity for their first basketball season. Glen Allen is proud of her girls' team of 1951.

PLANNING FOR FUTURE SECURITY

THOUSANDS of young men and women graduate from high schools throughout the land this June. Many of them look toward college educations and career opportunities which could not have been theirs except for life insurance purchased for them years ago by a loving parent or relative. Life insurance guarantees many other personal and family ambitions too, and its ownership will bring you the same satisfaction and security it now provides millions in all walks of life.

The Mark of a Champion

When a young man can face the Business World with courage that he backs a line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The Life Insurance Business needs such men, so why not prepare yourself for a career in the Life Insurance Business. It's a business of opportunity for young men of ambition and vision.
